SOLUTIONS

BOTTLE COOLER M200

- Eco-friendly with R600a refrigerant
- Energy efficiency 2,2 kWh/24h with an average beverage temperature of 5°C at 25°C ambient temperature
- Climate class: Up to 43°C ambient temperature
- Capacity: Can pass Coca Colas test after the C-conditions
- Noise level: 65 dB(A) >

BOTTLE COOLER M200

- Dimension: HxWxD 2000x600x630
- Volume: Gross / Net. 448 / 379 ltr
- Compressor: Danfoss NLE15KTK.2
- Thermostat: Dixell XR50CX
- Block evaporator
- Evaporator fan 10W ø200mm alu vings
- Block condenser
- Condenser fan: 3 pcs 5W 92x92x25mm
- Thermo glass door with an energy layer
- Light: Led-light in the top and optional in both sides of the door

WINE COOLER VKG 861

- Eco-friendly with R600a refrigerant
- Energy efficiency 0,60 kWh/24h with an average temperature of 12°C at 25°C ambient
- temperature
- Climate class: Up to 43°C ambient temperature
- Noise level: 40 - 42 dB(A)
- Temperature range: 5°C to 22°C

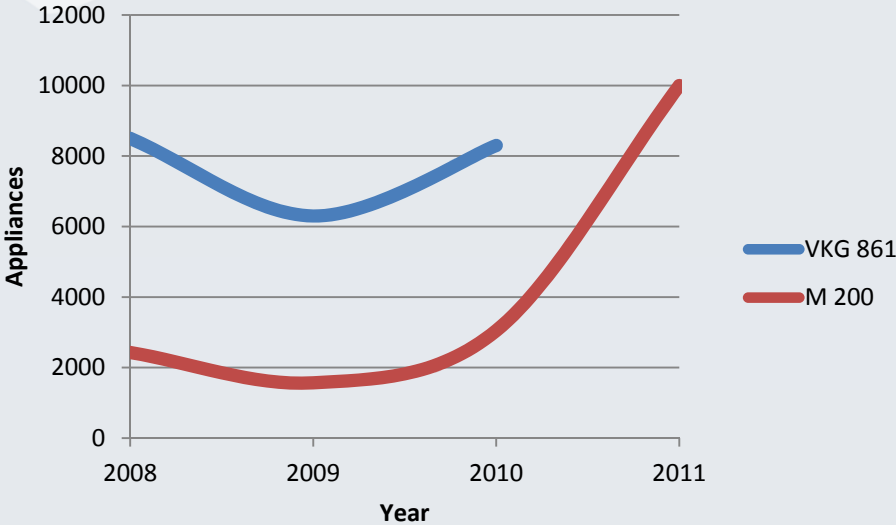

WINE COOLER VKG 861

- Dimension: HxWxD 1860x600x630mm
- Volume: Gross / Net. 414 / 368 ltr
- Compressor: ACC HTK70AA
- Thermostat: Dixell XR70CX
- Z-bond evaporator
- Evaporator fan 2 pcs 1,8W 120x120x25mm
- Heating element
- Wire on tube condenser
- No condenser fan
- Thermo glass door with an energy layer
- Light: Led-light in the top
