

# INVITATION

May 9th '14  
12 - 3 PM

# OPENING RECEPTION

The erection of the spectacular concrete construction which concludes the EU funded R&D project TailorCrete, has now been finalized.

To celebrate this we invite you to the grand opening:

Friday May 9th between 12 and 3 PM,  
at Bredskiftevej 24, 8210 Århus V, Denmark.

Come, see and feel this unique construction with exiting forms, double curved surfaces and an impressive concrete work. Get to know more about the project and enjoy some food and drink.

We are looking forward to seeing you.
